1) To register for a class you must complete this form and submit it at least 7 days prior to the beginning of class along with full payment and a copy of vaccination records that we can keep in our files.

2) Unless otherwise specified the costs of all classes will be \$75 for 6 weeks. If all enrollment info and the class fee are submitted at least 2 weeks prior to the beginning of class the price of the class is reduced to \$70. Each class lasts for 50 minutes. Agility is a labor intensive sport. All students are expected to help set up and put away equipment, no exceptions. No allowances are made for missed classes except in the case of inclement weather. Bitches in season are not allowed to attend class. Classes are normally limited to 12 dogs.

3) Handlers must keep all of the dog's vaccinations current for the duration of the classes. They must also provide up to date records to Paws Express as they change. Rabies and DA2PPV (or a written excuse from the Vet) is *required*. We also *strongly* advise that you vaccinate your dog for Bordetella. Our property backs up to a wooded area and there are deer and other critters around at times so we recommend that you talk to your Vet about a flea and tick product like Frontline. These things will help protect your own dog as well as others.

4) Classes are held outside and may be postponed due to inclement weather or extreme temperatures. A decision as to whether classes will be postponed will be made one hour before the first class of the day if not before and will be announced at www.PawsExpressAgility.com.

5) Parking is available on the North and East sides of the Agility field. Please dress appropriately for class; casual clothing and sturdy shoes are suggested. Sandals and other slip shoes are not recommended footwear for running with your dog.

6) Handlers should come to class early enough to exercise your dog **prior** to class. *A dog eliminating in the Agility field must be avoided* if at all possible and marking inside the field can not be tolerated. You may exercise your dog behind (south) of the Agility field. Please pick up after your dog. There is a pooper scooper by the back (SW) corner of the fence if needed or baggies may be placed in the trash cart at the corner of the garage. *Please be conscientious and pick up cups, treat packages and other trash before you leave!*

7) Dogs must be on leash at all times outside the agility field. Any dog enrolled in a group class that is not under adequate control or showing what the instructor feels are signs of aggression may be dismissed from class or transferred to private lessons at the discretion of the instructor. No refunds will be given.

8) Bring a buckle collar, a 4 to 6 foot leather leash, at least 2 to 3 cups of soft, small treats, a favorite toy and a hungry dog. Training collars *may* also be used with approval of the instructor. A tag line or short loop may also be handy. **Agility is a fun sport for dogs and their handlers! Come to class ready to play and spend quality time with your dog!**
